

Curriculum Vitae

Professor Dr.-Ing. Volker Altstaedt

University of Bayreuth
Faculty for Applied Natural Science
Polymer Engineering - IMA II
Universitaetsstrasse 30
95447 Bayreuth, Germany
Phone: (+49) 921-55-7470; Fax: (+49) 921-55-7473
e-mail: altstaedt@uni-bayreuth.de

Date of Birth **December 5, 1954**

Nationality **German**

Education

12/1981 M.S. - University of Kassel, Department of Experimental Physics,
Kassel, Germany - (Dipl. Phys.)

04/1987 Ph.D. - University of Kassel, Department of Mechanical Engineering,
Kassel, Germany - (Dr.-Ing.)

Professional Experience

03/1982 - 04/1987 Research Scientist, University of Kassel,
Department of Mechanical Engineering, Kassel, Germany

01/1984 - 04/1985 Research Scientist, Daimler Benz AG,
Department for Materials Engineering, Stuttgart, Germany

05/1987 - 12/1991 Research Scientist, BASF AG, Polymer Research Division,
Department for Polymer Composites, Ludwigshafen, Germany

01/1992 - 09/1995 Group Leader, BASF AG, Polymer Research Division,
Department for Polymer Physics, Ludwigshafen, Germany

04/1992 - 09/1995 Lecturer for "Composite Testing",
University of Kaiserslautern, Institute of Composites

10/1995 - 09/2000 Full Professor for "Polymers in Mechanical Engineering"
and Director of the Department for Polymers and Polymer
Composites, Technical University Hamburg-Harburg, Germany

since 10/2000 Chair of Department for Polymer Engineering in the Faculty for
Applied Natural Science, University of Bayreuth, Germany

since 07/2009 Managing Director of Neue Materialien Bayreuth GmbH
